

# Lifeguard Fluid MB 7.2

High Performance Oil for Mercedes-Benz Automatic Transmission

## Product description:

Lifeguard Fluid 7.2 MB ATF is a premium performance ATF with reduced viscosity, and has been developed to further optimize shifting performance, fuel-economy and gearbox efficiency of Mercedes-Benz 7-speed (7G-Tronic, 722.9 or NAG2) automatic transmissions. Lifeguard Fluid 7.2 MB ATF meets the highest requirements for the transmissions comfort behavior. The additives, which are customized to the individual components, also provide specialized protection and thus increase the service life of all transmission components. The optimized viscosity builds the foundation for maximized savings in fuel. The high-quality base oils combined with state-of-the-art additives ensure high thermal and oxidative stability over the entire service life of the transmission. Lifeguard Fluid 7.2 MB ATF provides both an amazing cooling capacity and an excellent lubricating ability even at low temperatures in winter.

Order No.: 0671.090.515

Order No.: 0671.090.519

# Technical Data Sheet

## Product code:

0671.090.515 (1L)

0671.090.519 (5L)

## Specifications:

Fuchs: TITAN ATF 7134 FE;

Mercedes-Benz: 236.15, A000989270411BULR, A000989690511ADNE, A000989690511AULE;

## Characteristics:

Color Blue

Density at 15°C 843 kg/m<sup>3</sup>

Viscosity at 40°C 18 mm<sup>2</sup>/s

Viscosity at 100°C 4.4 mm<sup>2</sup>/s

Brookfield viscosity at -40°C 3700 mPa.s

Pour point -63°C

Flash point (COC) 188°C
