

# Lifeguard Fluid SP-8

High Performance Oil for Hyundai & Kia Automatic Transmission

## Product description:

Lifeguard Fluid SP-8 is specially developed synthetic ATF for the latest generation of 8-speed automatic transmissions of Hyundai and KIA. It provides better heat resistance, cold flow capabilities, antifriction properties with long term service. This superior automatic transmission fluid has an excellent anti-wear, antifoam, antirust, anticorrosion and cooling properties. Due to its high, stable viscosity index Lifeguard Fluid SP-8 retains all its characteristics in a wide temperature range. It has a good compatibility with seal materials and friction elements resulting in a better fuel economy. Lifeguard Fluid SP-8 contains important additives that provide the smoothest, most comfortable drive possible.
