

Lifeguard Fluid ATF

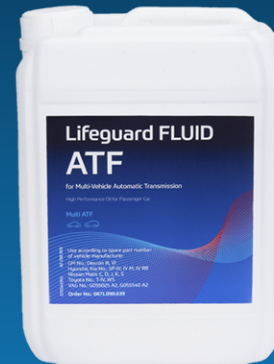

High Performance Oil for Multi-Vehicle Automatic Transmission

Product description:

Lifeguard Fluid ATF is a premium, synthetic technology multi vehicle automatic transmission fluid designed for a wide range of automatic transmission types. Friction modified additives provide consistent, reliable and smooth operation of automotive transmission systems. The unique formulation of Lifeguard Fluid ATF ensures excellent antifriction properties for gear couplings and required friction properties for friction elements. The optimized viscosity builds the foundation for maximized savings in fuel. Lifeguard Fluid ATF retains all its properties over a wide range of temperatures and loads and also contains seal swell agents to maintain seals that have aged for proper performance in transmission. It helps to maintain performance and provides long service life of transmission.

Order No.: 0671.090.633

Order No.: 0671.090.639

Technical Data Sheet

Product code:

0671.090.633 (1L)

0671.090.639 (5L)

Specifications:

BMW: 83220397114, 83222167720;

Chrysler: 05189978AA, 05189979AA;

General Motors: 1940184, 93165414, 9986195;

Land Rover: LR002748, LR022460;

Mazda: K020-W0-049;

Renault: 7711172225;

Toyota: 00279-000T4, 00279-000T5, 00289-ATFWS, 08886-02305, 08886-81016, 08886-81210;

VAG: G055025A2, G055540A2;

Volvo: 1161540, 31256774, 31256775, 31256776;

Characteristics:

Color Red

Density at 15°C 847 kg/m³

Viscosity at 40°C 28.7 mm²/s

Viscosity at 100°C 5.8 mm²/s

Brookfield viscosity at -40°C 10960 mPa.s

Pour point -55°C

Flash point (COC) 210°C
