

# Lifeguard Fluid NS-3

High Performance Oil for Nissan Continuously Variable Transmission

## Product description:

Lifeguard Fluid NS-3 is a special synthetic transmission fluid for Nissan continuously variable transmissions (CVT) including chain-CVT and belt-CVT driven CVTs. This premium fluid ensures a flawless operation, guarantees minimal wear, a lasting service life of the transmission and fuel economy in all operating conditions and modes. It has excellent seal compatibility reducing risks of fluid leaking as a result of seal swelling, shrinking or hardening. Lifeguard Fluid NS-3 features anti-foaming properties and excellent vibration resistance. It provides both an increased wear protection of transmission chain, gears and bearings in heavily loaded driving conditions and an excellent lubricating properties at low temperatures in winter. The product has optimized cooling characteristics and provides smooth shifting while driving for maximum comfort.

# Technical Data Sheet

## Product code:

0671.090.604 (1L)

0671.090.935 (5L)

## Specifications:

Nissan: KE90999943R, KLE5300004, NS-3;

## Characteristics:

Color Blue

Density at 15°C 835 kg/m<sup>3</sup>

Viscosity at 40°C 29.4 mm<sup>2</sup>/s

Viscosity at 100°C 6.2 mm<sup>2</sup>/s

Brookfield viscosity at -40°C 7680 mPa.s

Pour point -55°C

Flash point (COC) 220°C
