

Lifeguard Axle Oil

High Performance Oil for VAG TORSEN differential

Product description:

Lifeguard Axle Oil for VAG TORSEN differential is a special transmission fluid for transfer cases of four-wheel drive systems from Torsen type of Volkswagen and Audi. The product provides excellent chemical and thermal stability, good performance at low temperatures, protection against wear, corrosion and foaming. It ensures peak performance and reliability and provides optimal lubrication at both high and low temperatures. Lifeguard Axle Oil for VAG TORSEN is designed to help keep the components protected so that they can go on working efficiently.

Order No.: 0671.090.144

Technical Data Sheet

Product code:

0671.090.144 (1L)

Specifications:

VAG: G055145A2;

Characteristics:

Color Amber

Density at 15°C 870 kg/m³

Viscosity at 40°C 116,2 mm²/s

Viscosity at 100°C 17 mm²/s

Brookfield viscosity at -40°C 35000 mPa.s

Pour point -54°C

Flash point (COC) 232°C
